Policies issued by American General Life Insurance Company (AGL), Houston, TX.

## Life insurance on your own terms

QoL Flex Term policies are based on the idea that your policy should be for the amount you need and the length of time you need in nice, even numbers.

### Buy only what you need

Save money and target your financial goals with the flexibility of a QoL Flex Term policy. Don't overpay for a longer term than you can use.

### Convertibility

QoL Flex Term policies can fully convert to a permanent policy up to the end of the level-premium period (or attainment of age 70, whichever comes first) without additional underwriting.

To learn more about how you can purchase life insurance on your own terms, contact your financial professional.

---

<sup>1</sup> Savings reflect a 21 year versus a 25-year QoL Flex Term male, age 43, preferred plus underwriting class. Premium rates current as of April 19, 2025. Rates may vary by state. Please check with your financial professional for the current rate. Premiums available for other rate classes, ages and payment plans. Premium charges depend on evidence of insurability. The death benefit decreases immediately following the level term period. The post-level term period premiums generally remain the same immediately following the level term period but often become greater in ensuing years. See your policy for details.
