If your insurance benefit is \$50,000 or more, you may elect to have the proceeds paid through a free, interest-bearing account called the Instant Access Account. (This option is not available for residents of Alaska, Arkansas, Connecticut, Indiana, Kansas, Kentucky, Louisiana, Maryland, New Jersey, Rhode Island and New York.)

- This is a draft account whereby you may draw down the insurance proceeds and interest by drafting drafts which are payable through The Bank of New York Mellon.
- A personal draft book will be mailed to you once your claim has been approved. You may access your account by writing a draft for \$250.00 or
  more. If you wish, you can write a single draft for the entire amount, including interest, to close your account. Your drafts are payable through
  The Bank of New York Mellon. The delivery of your draft book constitutes payment of your full benefit amount.
- There are no monthly service charges, per-draft charges or draft fees. Fees will be charged for the following special services: any draft
  presented for payment against insufficient funds, any stop payment order, and any draft or statement copies. The charging bank reserves the
  right to change its fees at any time.
- Should your Instant Access Account balance drop below \$10,000, the account will be automatically closed and a draft for the balance mailed to you, with accrued interest on the 10th day of the following month.
- You will receive a Quarterly statement, showing all transactions, interest credited and the applicable rate(s) of interest for the period.
- Your Instant Access Account earns interest at a periodic interest rate determined by the company which is set after monitoring current short term rates and other prevailing rates available in the marketplace.
- The interest rate is subject to periodic review and may be adjusted by the company. There is not a minimum interest rate credited to the account.
- Interest is compounded daily and credited to your account monthly. Interest may be taxable; please consult with your tax advisor regarding taxable interest amounts.
- To obtain the current interest rate for your account, please review your Quarterly statement or call 1-888-562-9158 (M-F) 8 AM 7 PM Eastern Time.
- Both your principal and any interest you earn are guaranteed by American General Life Insurance Company (American General Life).
- The Instant Access Account is not insured by the Federal Deposit Insurance Corporation (FDIC). Its funds are guaranteed by the State
  Guaranty Associations. Please contact the National Organization of Life and Health Insurance Guaranty Associations (<a href="www.nolhga.com">www.nolhga.com</a>) to
  learn more about coverage of your account.
- Account balances are the liability of American General Life, and American General Life reserves the right to reduce account balances for any
  payment made in error.
- Settlement options under any policy for which benefits are paid under a Instant Access Account are preserved until the entire Instant Access
  Account is withdrawn or the balance drops below \$10,000.00.
- If an initial life insurance benefit is less than \$50,000, American General Life will send you a check for the total benefit amount.
- Any value remaining in your Instant Access Account may be transferred to the appropriate state authority as unclaimed property if no activity
  occurs in the account within the time period specified by applicable state law.

If you have questions regarding the Instant Access Account, please call 1-888-562-9158 (M-F) 8 AM - 7 PM Eastern Time or write to Instant Access Account, P.O. Box 534025, Pittsburgh, PA 15253-4025.

## Federal and State Income Tax Withholding

Generally, under current federal tax law, the death benefit of a life insurance policy is not subject to federal income tax to the beneficiaries. There are exceptions related to transfers for value of a life insurance policy during the life of the owner/insured. However, any interest provided associated with a death benefit payment is subject to taxation and will be tax reportable annually. This interest on the death benefit amount, if applicable, will be determined when the claim is paid according to policy provisions and state interest requirements.

If your state requires mandatory withholding, we will withhold the mandatory amount without regard to your election below. Should your state of domicile require a specific state withholding form, your state income tax withholding election will not be taken into account (and we will withhold based on the state mandatory withholding rate) until the required form is received at our Service Center.

Withholding Election (must be completed) — If you are eligible to elect out of and elect not to have federal or state income tax withheld, please be advised that you may be liable to pay the federal or state income tax on your payment(s) as deemed appropriate by the IRS or state taxing authority, regardless of your election. You may also be subject to tax penalties if your payments of estimated tax and withholding, if any, are not adequate. If at any point in time after submitting this form you would like to change your tax withholding election, please send us an updated Form.

Federal Withholding Election  DO NOT withhold any federal income taxes unless mandated by law.  DO withhold federal income taxes in the amount of  \$ or% (cannot be less than any mandatory withholding).	State Withholding Election  ☐ DO NOT withhold any state income taxes unless mandated by law.  ☐ DO withhold state income taxes in the amount of  \$ or % (cannot be less than any mandatory withholding).	
	The following states do not allow withholding: Alaska, Florida, Nevada, New Hampshire, South Dakota, Tennessee, Texas, Virgin Islands, Washington, Wyoming.	

**Notice to non-resident aliens:** A payment to a non-U.S. person/entity may be subject to federal income tax withholding at a rate of 30% of the taxable portion (the interest on the death benefit, if applicable), unless the payee submits a completed IRS Form W-8BEN (or if applicable, a Form W-8BEN-E) and the payment is eligible for reduced federal income tax withholding. If the payee is an entity, it will be considered a foreign entity and subject to a mandatory 30% federal tax withholding of the gross payment until a completed Form W-9 showing that it is a U.S. entity or a Form W-8 (of some variety) is provided.

The Company will provide you and the Internal Revenue Service with an informational tax form after the close of the calendar year.

### Tax Certification

The payment(s) you receive may be subject to federal income tax withholding unless we have your correct US Taxpayer Identification Number [TIN] in the associated substitute Form W-9. The Company will withhold 24% of the interest portion, if applicable, on the death benefit payment(s) as a default, unless the below certification is completed and returned to the Company. Even if you return this form, the proceeds will be subject to the 24% withholding if the IRS has notified the Company that you are subject to Backup Withholding.

TAX CERTIFICATION (Substitute Form W-9) – Applicable to U.S. persons (including U.S. citizens and resident aliens). If you are not a U.S. person, you are required to submit the applicable IRS Form W-8 series (BEN, BEN-E, ECI, EXP or IMY). Under penalties of perjury, I certify to the following:

- 3. I am exempt from Foreign Account Tax Compliance Act ("FATCA") reporting.

**Certification Instructions:** You must cross out any statement in 1-3 above that does not apply to you. For instructions on how to complete this certification, please see the General Instructions for the IRS Form W-9 on www.irs.gov. If you can complete a Form W-9 (Request for Taxpayer Identification Number) and you are a U.S. Citizen or U.S. resident alien, FATCA reporting may not apply to you. **Please consult your own tax advisor with any questions you may have regarding this certification.**
