----- Payment of Policy Proceeds -----

If your insurance benefit is \$50,000 or more, you may elect to have the proceeds paid through a free, interest-bearing account called the Instant Access Account. (This option is not available for residents of Alaska, Arkansas, Connecticut, Indiana, Kansas, Kentucky, Louisiana, Maryland, New Jersey, Rhode Island and New York.)

- This is a draft account whereby you may draw down the insurance proceeds and interest by drafting drafts which are payable through The Bank of New York Mellon.
• A personal draft book will be mailed to you once your claim has been approved. You may access your account by writing a draft for \$250.00 or more. If you wish, you can write a single draft for the entire amount, including interest, to close your account. Your drafts are payable through The Bank of New York Mellon. The delivery of your draft book constitutes payment of your full benefit amount.
• There are no monthly service charges, per-draft charges or draft fees. Fees will be charged for the following special services: any draft presented for payment against insufficient funds, any stop payment order, and any draft or statement copies. The charging bank reserves the right to change its fees at any time.
• Should your Instant Access Account balance drop below \$10,000, the account will be automatically closed and a draft for the balance mailed to you, with accrued interest on the 10th day of the following month.
• You will receive a Quarterly statement, showing all transactions, interest credited and the applicable rate(s) of interest for the period.
• Your Instant Access Account earns interest at a periodic interest rate determined by the company which is set after monitoring current short term rates and other prevailing rates available in the marketplace.
• The interest rate is subject to periodic review and may be adjusted by the company. There is not a minimum interest rate credited to the account.
• Interest is compounded daily and credited to your account monthly. Interest may be taxable; please consult with your tax advisor regarding taxable interest amounts.
• To obtain the current interest rate for your account, please review your Quarterly statement or call 1-888-562-9158 (M-F) 8:00AM to 7:00PM Eastern Time.
• Both your principal and any interest you earn are guaranteed by American General Life Insurance Company (American General Life).
• The Instant Access Account is not insured by the Federal Deposit Insurance Corporation (FDIC). Its funds are guaranteed by the State Guaranty Associations. Please contact the National Organization of Life and Health Insurance Guaranty Associations (www.nolhga.com) to learn more about coverage of your account.
• Account balances are the liability of American General Life, and American General Life reserves the right to reduce account balances for any payment made in error.
• Settlement options under any policy for which benefits are paid under a Instant Access Account are preserved until the entire Instant Access Account is withdrawn or the balance drops below \$10,000.00.
• If an initial life insurance benefit is less than \$50,000, American General Life will send you a check for the total benefit amount.
• Any value remaining in your Instant Access Account may be transferred to the appropriate state authority as unclaimed property if no activity occurs in the account within the time period specified by applicable state law.

If you have questions regarding the Instant Access Account, please call 1-888-562-9158 (M-F) 8AM to 7:00PM Eastern Time or write to Instant Access Account, P.O. Box 534025, Pittsburgh PA 15253-4025.

Federal & State Withholding (must be completed):

Income Tax Withholding: The distribution(s) you receive from the Insurer may be subject to federal income tax withholding unless you are eligible to elect out of withholding and elect not to have withholding apply. (However, we must have your correct US Taxpayer Identification Number (TIN) on page 2 in order for you to elect into or out of withholding.) Withholding will only apply to the taxable portion of your distribution. Your withholding election will remain in effect until you revoke it. Unless you elect otherwise above, we will withhold 10% of the taxable amount of your distribution.

States with a state income tax either require mandatory withholding or allow voluntary withholding. If your state requires mandatory withholding, we will withhold the mandatory amount without regard to your election above. Should you elect state income tax withholding and fail to provide a specific dollar or percentage amount and your state of domicile does not provide a default state withholding amount, we will withhold for state income tax purposes 5% of the taxable portion of your distribution for state income tax. Should your state of domicile require a specific state withholding form, your state income tax withholding election will not be taken into account (and we will withhold based on the state mandatory withholding rate or our default state income tax withholding) until the required form is received at our Customer Service Center.

Withholding Election: If you are eligible to elect out of and elect not to have federal or state income tax withheld, please be advised that you may be liable to pay the federal or state income tax on your distribution as deemed appropriate by the Internal Revenue Service or state taxing authority, regardless of your election. You may also be subject to tax penalties if your payments of estimated tax and withholding, if any, are not adequate.

Notice to non-resident aliens and for payments made outside the U.S.: A payment to a non-resident of the US or made to an address outside the United States may be subject to federal income tax withholding at a rate of 30% of the taxable portion of the distribution. The payee may submit a completed IRS Form W-8BEN (or if applicable, a Form W-8BEN-E) and elect reduced withholding if the payment is eligible for reduced withholding.
