

## A solution for working moms

Are you looking for a solution to help protect your family in the event of your premature death? Term life insurance is the flexible, affordable solution that provides protection for the people you love. Multiple term durations allows you to customize your life insurance policy so you only pay for you what you need.

### The scenario

As the sole income provider for her family of three, Allison, 29, wants to make sure that her children, ages 1 and 5, will still be able to attend college in the event of her premature death. Allison expects to need \$250,000 to fund both children's college educations within 17 years.

### A solution

Term insurance policies with multiple durations can offer Allison a 17-year term policy so she only pays for the coverage she needs. As a 29-year old female, Allison can purchase a \$250,000 policy guaranteed for 17 years.
