

Max Accumulator+ II & Value+ Protector III

New York

More reasons than ever to be your IUL go-to product for New York sales

1

Offer both accumulation and protection-focused products to meet different client needs

Whether your client needs are long-term cash accumulation or death benefit guarantees, they can choose between Max Accumulator+ II and Value+ Protector III.

2

Improved competitive position performs well in all scenarios

Both Max Accumulator+ II and Value+ Protector III are designed to deliver strong cash value and coverage across different crediting rate scenarios and with both preferred best and standard ratings.

3

Innovative feature - Return of Premium (ROP) Rider

Available on Value+ Protector III. If your client's needs change, they have the flexibility to fully surrender their policy and receive some or all their paid premiums back.

4

Valuable feature - Accelerated Access Solution chronic illness rider

Available on both Max Accumulator+ II and Value+ Protector III. It is one of the few such riders still available in New York. AAS's innovative and flexible design allows for customizable coverage, and clients can tailor monthly benefit payouts according to financial needs.

Accelerated Access Solution (AAS)

This is a life insurance benefit that also gives you the option to accelerate some or all of the death benefit in the event that you meet the criteria for a qualifying event described in the policy. This policy or certificate does not provide long-term care insurance. This policy or certificate is not a Medicare supplement (policy or certificate).

The Accelerated Access Solution (AAS) is an optional living benefit rider that is available on the insurance policy issued by The United States Life Insurance Company in the City of New York (US Life). The Accelerated Access Solution is a life insurance rider that accelerates a portion of a policy's death benefit when an insured meets the health impairment criteria set forth in the rider.¹ Control over how money is spent is up to the policy holder: There are no receipts required and no restrictions on what the money is used for once the policy owner has been certified as eligible to receive AAS benefits. Benefits are paid directly to the policyholder for as long as the criteria are met, or until the AAS benefit amount is exhausted, whichever occurs first. Acceleration of death benefits and payments under such an accelerated death benefit will reduce the death benefit of the policy and reduce other policy values as well, potentially to zero. If the entirety of the insurance amount is accelerated, the policy terminates.

Payout Options - NY

Three monthly benefit options are available:

- 2% of the AAS benefit
- 4% of the AAS benefit
- IRS maximum per diem

Monthly benefit under any option is capped at the maximum IRS per diem amount at the time claim begins.

Tax Implications

There are no restrictions or limitations on the use of the accelerated death benefit proceeds under the Chronic Illness Accelerated Death Benefit Rider. The accelerated benefits payable under this rider are generally intended for favorable tax treatment under Section 101(g) of the Internal Revenue Code. There may be tax consequences in some situations in accepting an accelerated benefit payment amount, such as where payments exceed the per diem limitation under the Internal Revenue Code. You should consult your personal tax advisor to assess the impact of this Benefit prior to accepting the Benefit.

¹Insured must be certified as chronically ill by a Licensed Health Care Practitioner and meet all eligibility requirements and the condition need not be permanent.

Policies issued by **The United States Life Insurance Company in the City of New York** (US Life). Guarantees are backed by the claims-paying ability of the issuing insurance company and each company is responsible for the financial obligations of its products. Products may not be available in all states and features may vary by state. Please refer to the policy for more information. Policy Form Numbers: 16760N REV0718, 19646N Rev0120; Rider Form Numbers: 17600N, 18012N, 22995N, 13601N, 07620N, 14002N, 15996N, 18004N, 15990N.
