

Text-to-Sign functionality

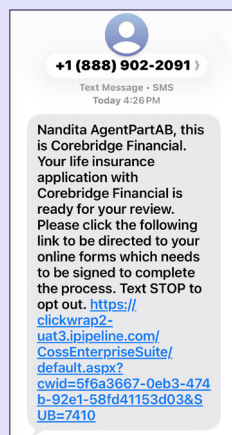

“Text-to-Sign” functionality is now available for all term eApplications submitted through iPipeline, including SimpliNow Choice.

Signature success in seconds

Select “Text” as the notification method, answer consent questions and enter client’s mobile phone number.

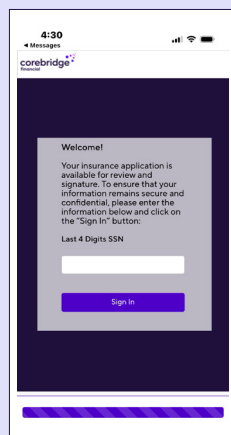

Client text

Client receives text from 888.902.2091 with a secure link to review & sign.

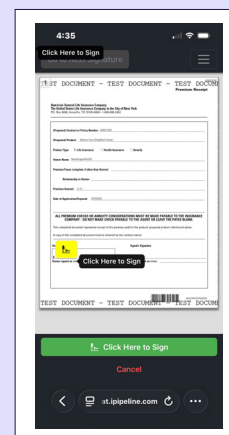

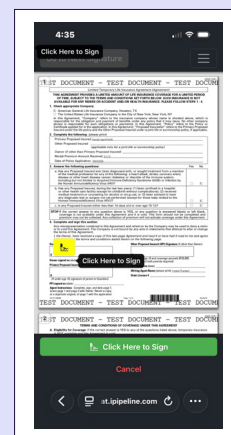

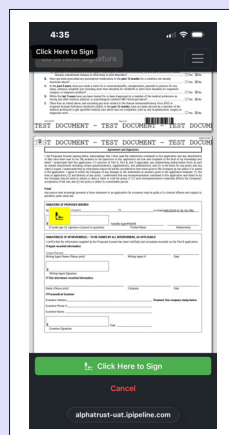

Validation

Client completes validation (last four of SSN).

Electronic signature screen

Client reviews application and signs in various places.

Not for use in New York.

Best practices

- Use client’s primary cell number; avoid multiple devices during signature
- Ensure browser pop-ups are allowed during the eApplication process
- If a client replies STOP, they will no longer receive text to sign messages from Corebridge
